Town-Wide Tree Planting Day a Success!

We're thrilled to share that our Tree Planting Day, held across divisions, was a resounding success! Over the past few weeks, residents, volunteers, and community groups came together to plant hundreds of trees — helping us grow a greener, healthier town.

Community spirit in action! Residents of all ages turned up with gloves and shovels, ready to get their hands dirty for a great cause.

As future caretakers of the environment, kids joined in the fun, learning about the importance of trees and sustainability.

 Thank You! 

A heartfelt thank you to every resident, community group, and partner who helped make this initiative a success. Your efforts have made a lasting impact — and the trees we planted will stand as a legacy of our shared commitment to the environment.
